

Cataract Pre-op Instructions

Patient Name: _____

Surgery date: _____ Hospital: _____

One day Post OP at Davis Vision Center: _____

- Three eye drop prescriptions have been sent to your pharmacy. Please start those 3 days before surgery unless instructed otherwise by Dr. Davis. Follow your drop schedule included in your packet. **Please bring these eye drops to all postoperative appointments.**
- Do not take any blood thinning medication 10 days prior to your surgery and 10 days after. (Ibuprofen, Motrin, naproxen, Advil, Aspirin or any prescribed blood thinner.) Please consult your physician who prescribed the medication to ensure you are able to do so safely before discontinuing.
- The hospital will call you to preregister for surgery and give you your arrival time the Friday before surgery. Please call them if you haven't heard from them by 3:00 pm.

Jordan Valley: 801-562-4232

Riverton: 801-285-2832

Lone Peak: 801-233-9300

- If you need to cancel or reschedule your surgery, please do so by the Friday prior, no later than 4:00 pm to avoid a \$250.00 cancellation fee.
- Please arrive at the hospital at your appointed time, let them know if you'll be running late.
- **Do not eat or drink after midnight the night before surgery.**
- The operating room staff and doctor will instruct you what to do during surgery. Please feel free to ask any questions you have.
